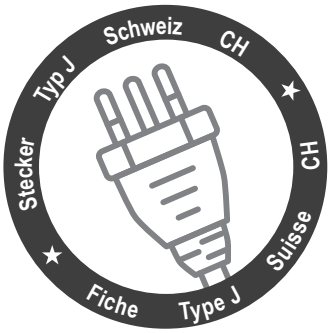
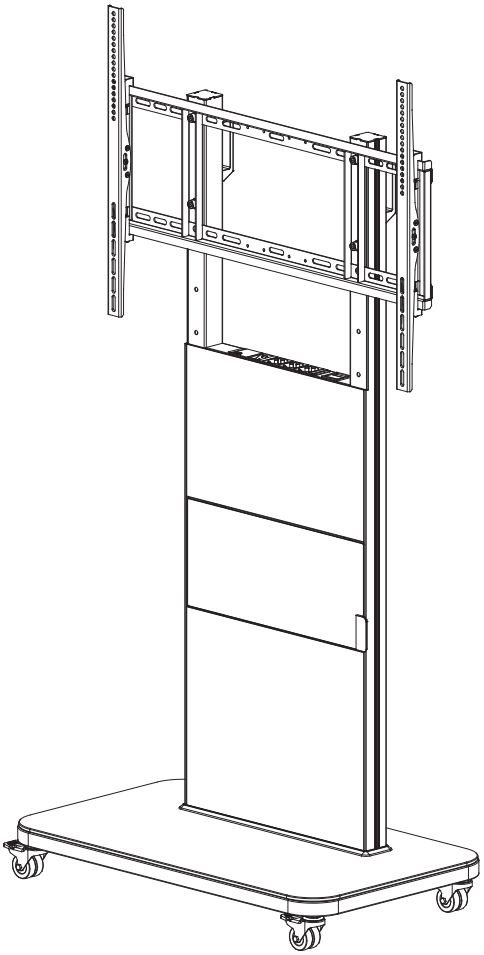
AV MOUNTING? WE TAKE CARE!





Pro-Tower M CH

Art.-Nr. / Item no.: 2894

DE

Achtung!

Technische Geräte stellen einen beträchtlichen Wert dar. Sie sollten daher bei der Installation vorsichtig mit den Komponenten umgehen und diese bei Bedarf schützen.

Auch sollte, falls nötig, der Installtionsbereich abgesichert werden. Herabfallende Teile können zu Verletzungen und Materialschäden führen.

Die im Lieferumfang enthaltenen Materialien sind unter Umständen nicht für die speziellen Gegebenheiten am Installationsort geeignet. Bitte prüfen Sie dies vorab und ersetzen Sie diese bei Bedarf durch geeignete Materialien. Für Schäden, die durch eine unsachgemäße Installation entstehen, übernehmen wir keine Haftung.

Die mitgelieferte Steckdosenleiste ist ein eigenständiges elektrisches Betriebsmittel. Montage, Inbetriebnahme und Betrieb erfolgen gemäß den Herstellerangaben der Steckdosenleiste.

Falls Sie Bezüglich der Angaben in dieser Installationsanleitung unsicher sind oder noch Fragen haben wenden Sie sich an uns oder anderes ausgebildetes Fachpersonal.

GB

Caution!

Technical devices are of considerable value. You should therefore handle the components carefully during installation and protect them if necessary.

If necessary, the installation area should also be secured. Falling parts can cause injuries and material damage.

The materials included in the scope of delivery may not be suitable for the specific conditions at the installation site. Please check this before and replace them with suitable materials if necessary. We accept no liability for damage caused by improper installation.

The supplied power strip is an independent electrical device. Installation, commissioning and operation shall be carried out in accordance with the manufacturer‘s instructions for the power strip.

If you are unsure about the information in these installation instructions or have any further questions, please contact us or another qualified professional.

Warnung | Warning

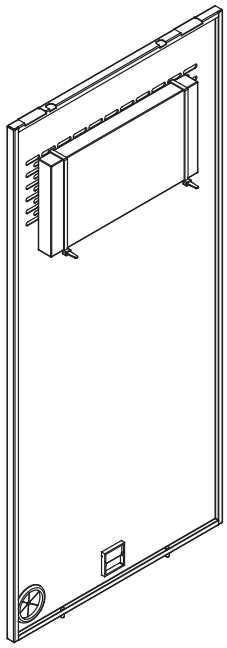
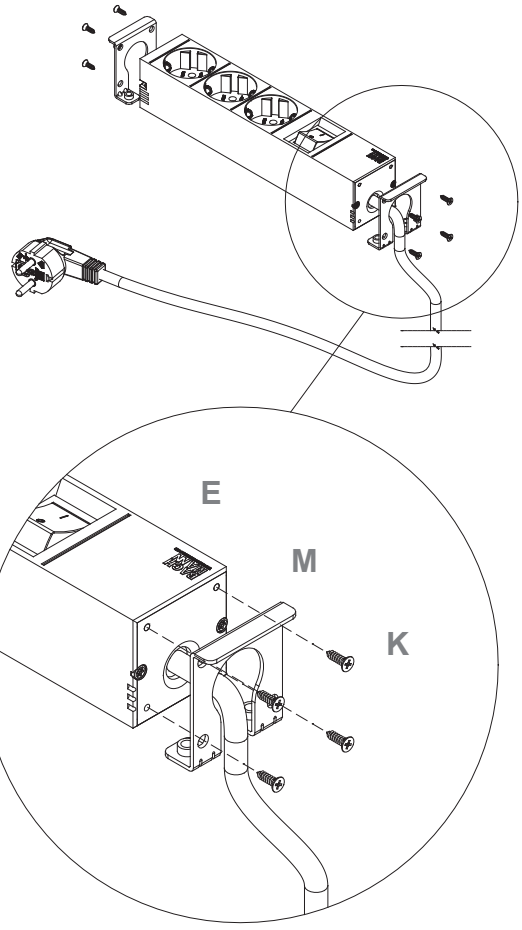
Example:

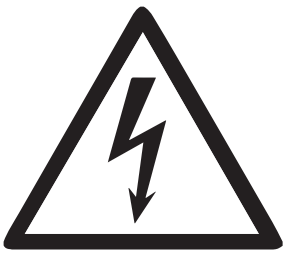


Kabelbinder nicht enthalten

Stripes not included

10 Montage der Steckdosenleiste / Stromversorgung herstellen
Installing the multiple socket / Connecting the electricity supply





Überprüfen sie Kabel und Stecker vor der Inbetriebnahme auf Schäden.
STROMSCHLAGGEFAHR!

- Sicherheitshinweise Steckdosenleiste
- Nur in trockenen Innenräumen verwenden.
- Steckdosen nicht abdecken.
- Steckdosenleisten nicht hintereinander stecken.
- Maximale Anschlussleistung der Steckdosenleiste nicht überschreiten.

Anschlussleitung ausschließlich durch die vorgesehene Kabeldurchführung führen. Die Leitung darf nicht gequetscht, beschädigt oder über scharfe Kanten geführt werden.

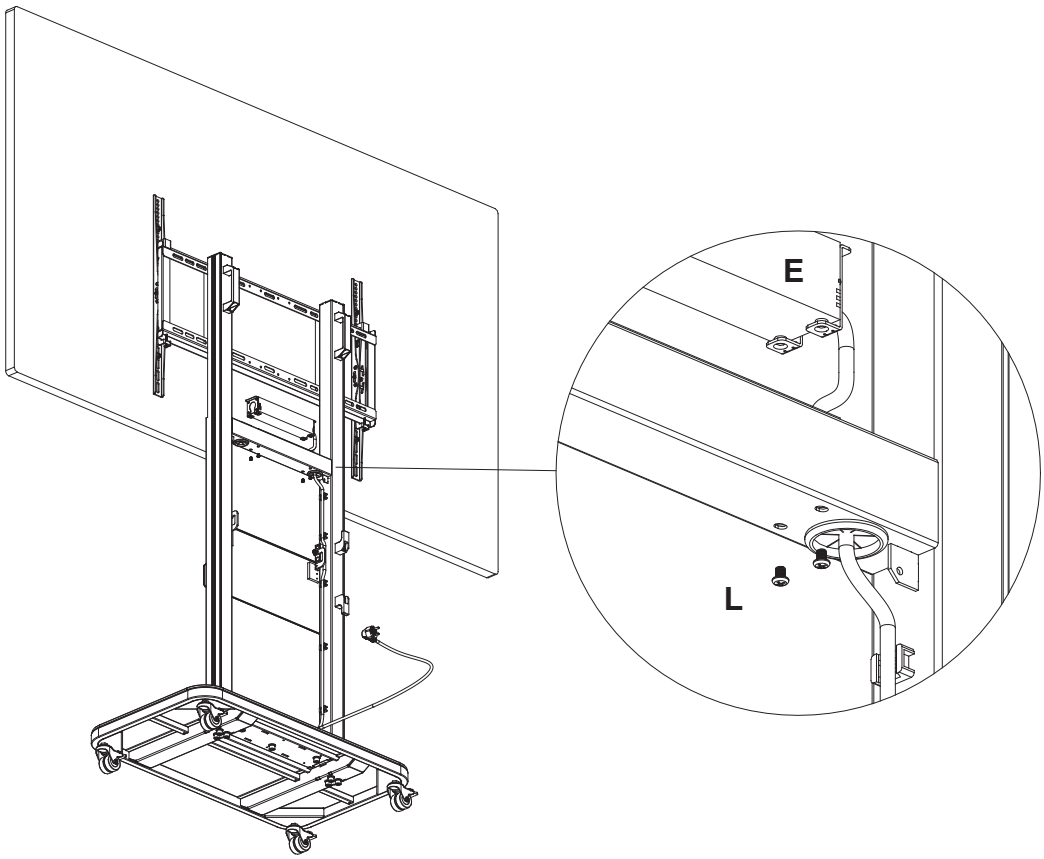
Check cables and plug for damage before using it.
RISK OF ELECTRIC SHOCK!

- Power strip safety
- Indoor use only.
- Do not cover the sockets.
- Do not connect power strips in series.
- Do not exceed the maximum connected load.

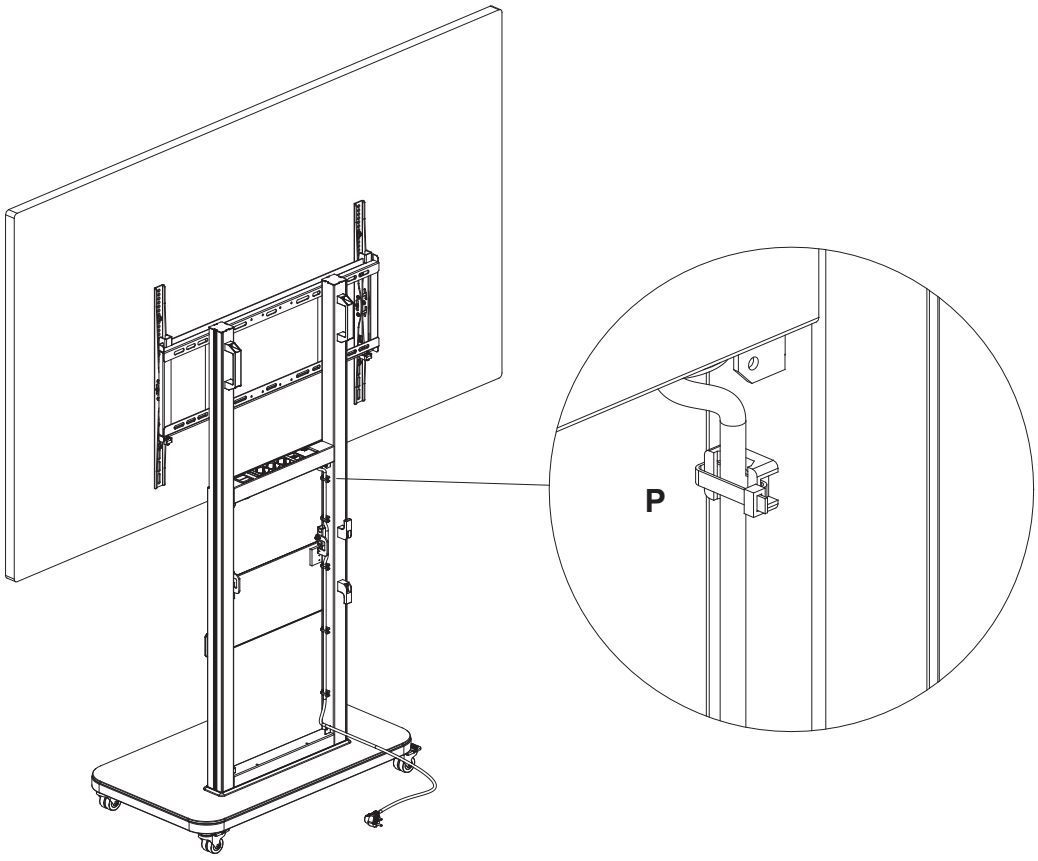
Route the power cord only through the designated cable opening. Do not pinch, damage or route the cable over sharp edges.

Die Steckdosenleiste wird vom Anwender gemäß dieser Anleitung montiert.

The power strip is installed by the user in accordance with these instructions.

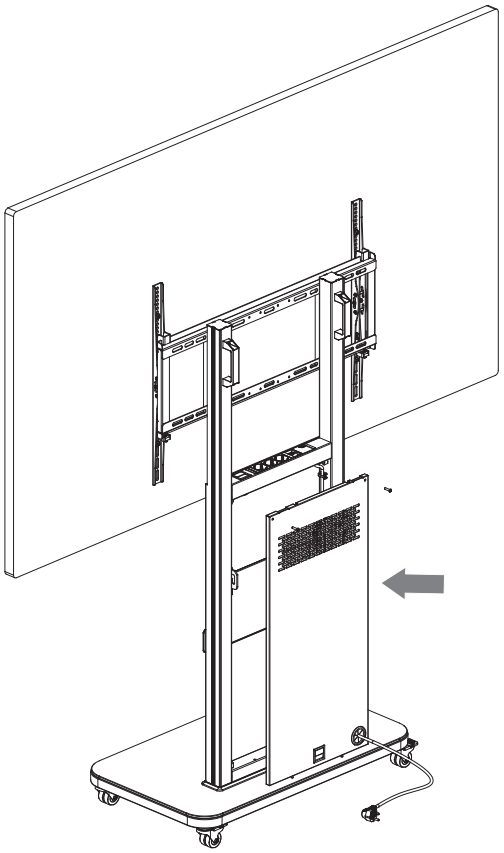


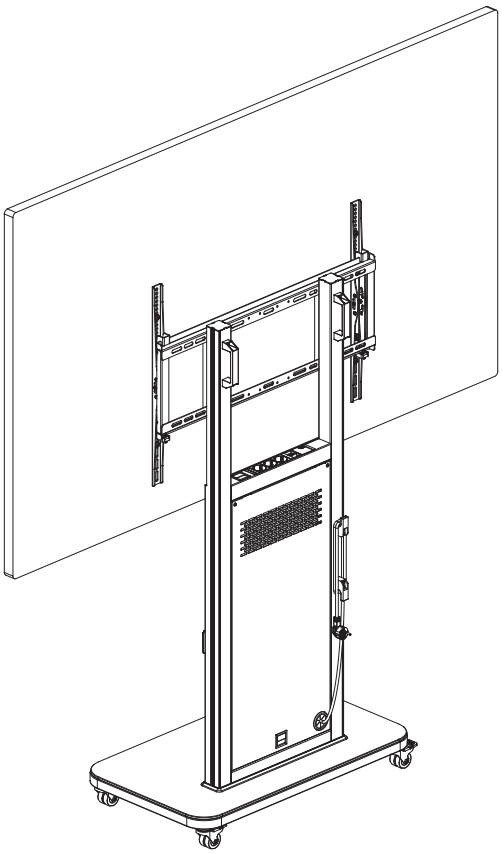
E
L



P

11 Rückblende aufsetzen und verschrauben | Put the rear cover back and screw it tight



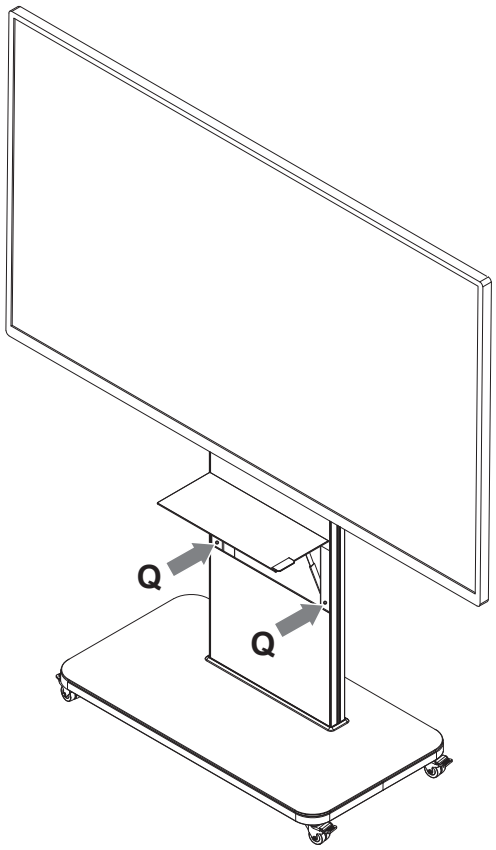


Die Anschlussleitung darf während des Betriebs nicht straff gespannt oder eingeklemmt werden und ist so zu verlegen, dass sie nicht an scharfen Metallkanten scheuert. Die Kabelaufwicklung dient ausschließlich der Aufbewahrung der Anschlussleitung während Transport und Lagerung.

The power cord must not be subjected to tension, pinched, or trapped during operation and must be laid in such a way that it does not rub against sharp metal edges. The cable holder is intended solely for storing the power cord during transport and storage.

12 Silikondämpfer aufkleben | Stick on the silicone dampers

Q



13 AV-Ablage ausklappen (optional) | Fold out the AV shelf (optional)
